New 16 Series USA Caster Rigs are 16 Series Rigs on Steroids!

The 16 Series USA caster rigs are designed to give you a higher quality caster at a very competitive price. The 16 Series USA model offers these enhancements that improve the product offering:

- USA made for faster deliveries. No long waits for containers.
- New bigger, **stronger 3/4" staked kingpin.**
- Improved zinc plated finish for attractive appearance, better corrosion resistance and longer caster life.
- Raceways seals, demountable swivel locks and field installable brakes are available from certain shipping locations. Please consult with the factory for your specific requirements.
- Capacity up to 1,250 lbs each caster depending on rig size and wheel selection.
- Pricing discounts for bulk shipments available.
- Convenient national warehouses are ready to ship with improved delivery and lower shipping costs.
- Many other standard heavy duty features including swivel lock notches, 1/4" thick steel plate and forked legs, multiple wheel options, double ball raceways, 1/2" axle, zerk fittings for easy maintenance and NSF listed for food service industry.

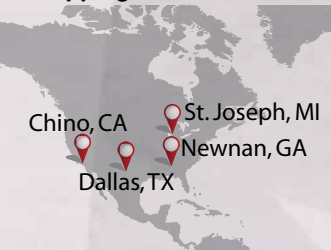

16 SERIES
