THE GLOBAL LEADER
IN CASTER AND WHEEL SOLUTIONS

MOBILITY SOLUTIONS

THAT ENABLE CUSTOMER SUCCESS

Our world-renowned brands provide over **400 combined years** of technological leadership and the world's most complete product portfolio. Driving caster innovation since 1885, we offer specialized mobility solutions for every industry and market, backed by a proprietary global value chain. Unparalleled efficiencies and capabilities allow us to support start-to-finish solutions for our customers while over **1,600 employees work** as a global team to meet every unique design, manufacturing, and logistics need.

HOW WE WORK

A TRUSTED PARTNER

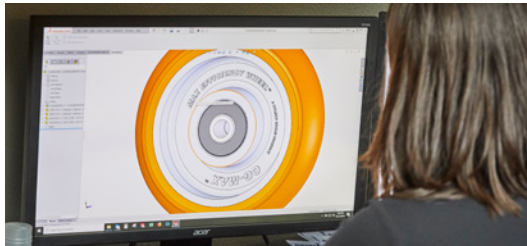

THE RIGHT SOLUTION

- Product selection has a lasting business impact
- Experienced application analysis teams ensure customer success
- Trusted brands provide industry-specific expertise
- The most complete product portfolio in the world enables accelerated speed to market

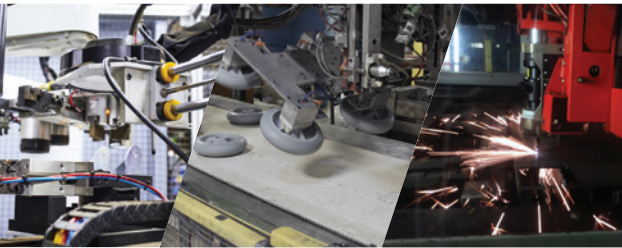

RESULTS-DRIVEN

- Identifying and achieving the unique mobility goals of each customer:
 - Increasing caster life and workplace safety
 - Operational efficiency gains with maintenance-free & ergonomic solutions
 - Creating happier users to drive sales growth

LEVERAGING OUR FOOTPRINT

- Vertically integrated global manufacturing
- 30 facilities in 13 countries
- Embedded testing facilities
- ISO 9001:2015 QMS certified
- The largest selection of USA-made casters
- Largest, most established distribution network

SERVICE EXCELLENCE

- Local service with a global reach
- Largest inside and field support staff
- Experienced global engineering team brings customer solutions to life
- Operational responsiveness for reliable on-time shipments, JIT inventory, and global deliveries

Designed, tested, and proven—for 135+ years. Since 1885, Colson's quality lines of **industrial and institutional** casters have defined the industry. Leading warranties and continuous innovations, including the unrivaled Performa wheel, have established Colson as one of the most trusted caster brands in the world today.
