

CG-RIGID Caster Product Enhancement

PB-1010

Date: 04/25/2024

To: Colson Group OEM and Retail Customers

New Product: CG-RIGID Casters for 3", 4", 5", 6" and 8" diameter x 2" wide.

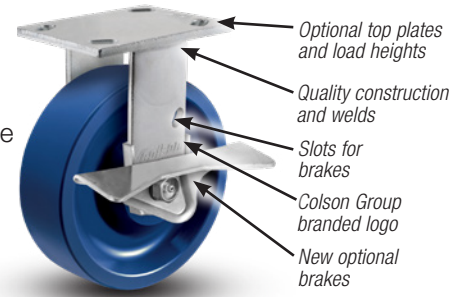

Product Transition: August 1, 2024

Colson Group Customer Action: Colson and Albion rigid casters will automatically be superseded to the new and improved CG-RIGID models. Current model numbers will remain the same. New rigid brake options will be provided to enhance your inventory.

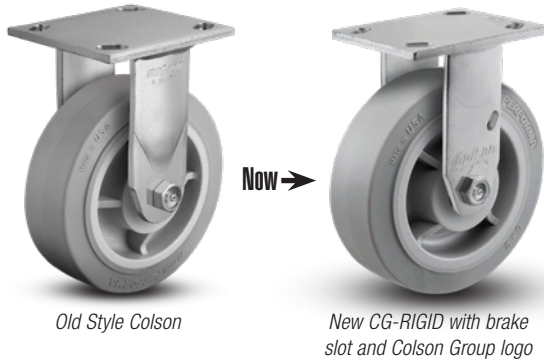

Product Features: The new CG-RIGID casters offer increased versatility and streamlined operations for your business.

- **Improved Braking Control:** Now both Albion and Colson models include optional brakes enhancing safety and maneuverability.
- **Reduced SKUs:** The consolidated design minimizes the number of parts you need to stock, simplifying ordering and inventory management.

Brands/Models Affected: Albion (16 Series, 18 Series and 170 Series); Colson (4 Series).

COLSON

ALBION

New Rigid Brake Opportunities available for Colson and Albion:

Colson Brake Kits should be used with the new CG-RIGID models if a brakes are desired. Specify **BRK3** and **BRK7**. The 6" Rigid Tech Lock **BRK2** also works (see photos below)
